# Six Feet Apart

$\text{♩} = 140$   
9 10

When the li-lacs start to bloom And the card-nals sing their tune. It's  
First thing that we're gon-na do Is find some corn-er booth. Meet

15

usual-ly 'bout the time When we feel most a-live. But the news has been all  
there with all our friends. And cel-e-brate the end. Paysome extra on the tab.

20

bad. And the world just seems so sad. There's not a lot go ing on So we  
Catch a mo-vie. Catch a cab. Watch a ball game from the stands. Probly

### Chorus

25

thought we'd sing this song. We miss our friends We miss the mall We missour school. We  
over-wash our hands.

30 35

missit all. Giving hugs and shaking hands. It's a mys-t'ry we suppose Just how

40

long this thing goes. There'll be crowds and there'll be shows And there'll be light aft-er dark

### Banjo Solo

45 16

Some day when we aren't six feet a - pa-r-t We

### Chorus-Singing

65

miss our friends We miss the mall We missour school. We missit all. Giving hugs and

70 75

shaking hands. It's a mys-te-ry we suppose Just how long thisthing goes. There'll be

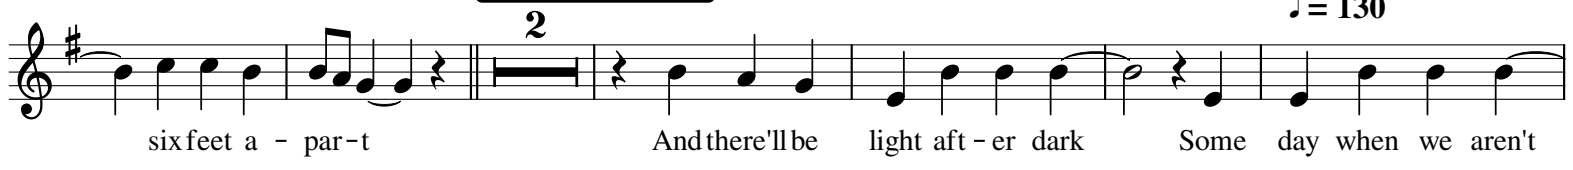

80

crowds and there'll be shows And there'll be light aft-er dark Some day when we aren't

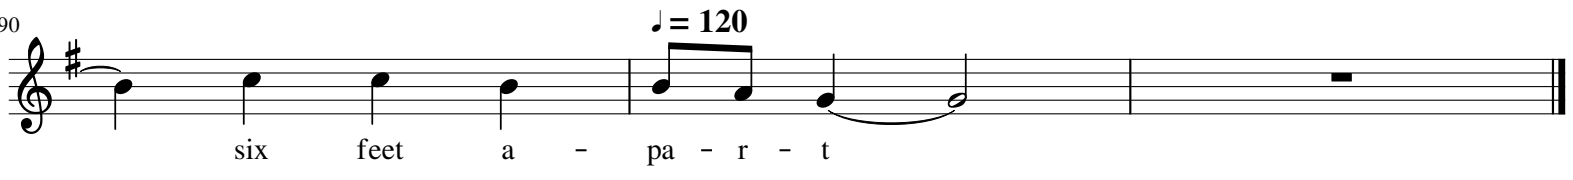

**Repeat Outro**

2  $\text{♩} = 130$

six feet a - par-t And there'll be light aft-er dark Some day when we aren't

90  $\text{♩} = 120$

six feet a - pa - r - t
